Subject: CPSC FOIA Request for Complaints against Spruce Environmental

This is a FOIA request for:

All complaints or reports about the following manufacturer and its products, any contacts by CPSC with the manufacturer, and the manufacturer's response. Please include all information, including reports that are not in the online publically available consumer product safety database.

- RadonAway brand radon fans
- Spruce Environmental Technologies (owner of RadonAway) fans
- DynaVac brand fans
- Homeaire brand fans

Manufacturer info:

Spruce Environmental Technologies
3 Saber Way
Ward Hill MA
978-521-0901
www.radonaway.com

Also please provide information about any other complaints or reports regarding radon fans (also called blowers) by any manufacturer.

I would like this information for the history of the product (introduced in 1992 timeframe) or for the past 15 years if complete records are not available or if full search would be time consuming or expensive. Response by email would be fine. Please advise of any costs associated with my request.

I tried to set up a PAL account several times, but I never got the email to allow me to set up username and password, and now my email is locked.

Thank you!
